FACULTY OF SOCIAL SCIENCES
DEPARTMENT OF EDUCATION AND
ENGLISH

Department of Education and English

- Department of Education and English is part of the Faculty of Social Sciences. It was established for the first time in 2010. Currently, Department of Education and English offers three first cycle Bachelor study programs and one second cycle program – Professional Master.

Department of education and english

Department of Education and English offers three Bachelor programs :

“Elementary Education Teaching”

“Pre-school Education Teaching”

“English”

A Professional Master study program in Pedagogy with profiles in:

1. “Elementary Education Teaching”

2. “Education Management”

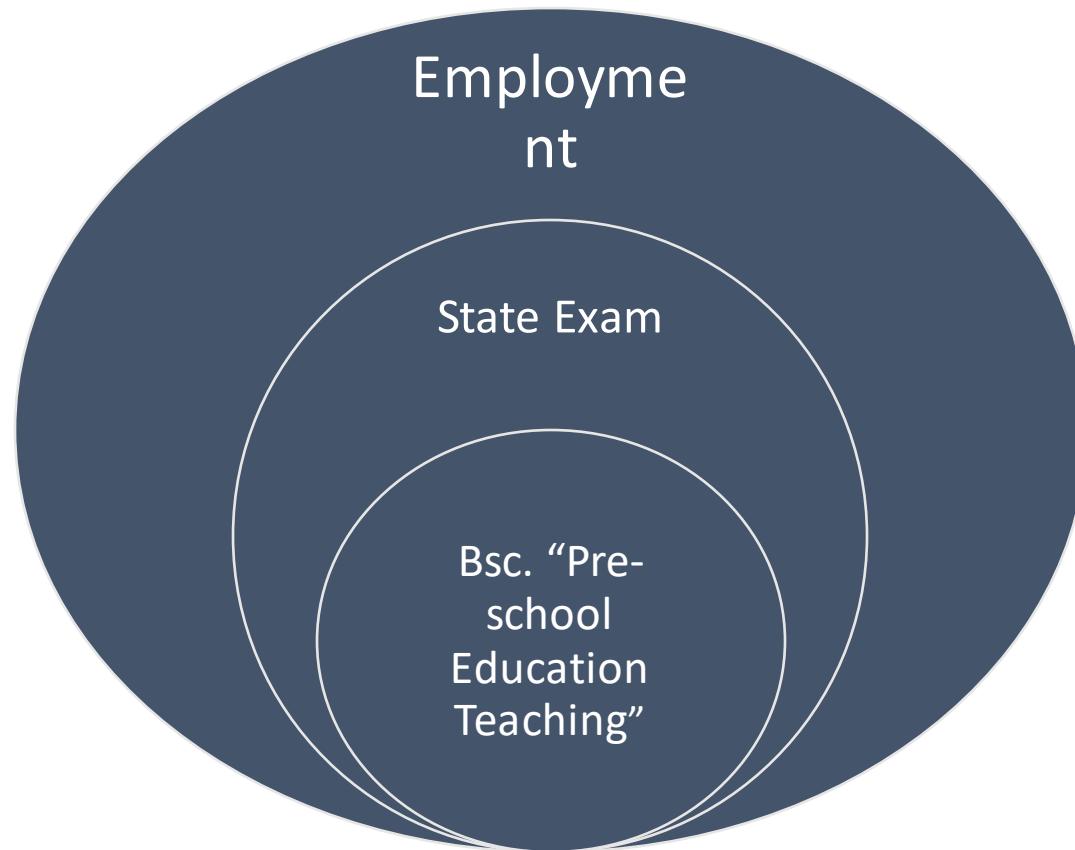

Bachelor in “pre-school education teaching”

- The Bachelor study program “Pre-school Education Teaching” is licensed upon order of MoES no.251 dated 02.06.2011 and reaccredited from the “Agency of Quality Assurance in Higher Education (ASCAL)” upon Decision of Board of Accreditation no. 80, dated 05.10.2019 which is valid until 30.09.2023.

Bachelor in “pre-school education teaching”

- The Bachelor study program “Pre-school Education Teaching” has a duration of three years with 180 ECTS. This program is focused on preparation of teachers that will educate children aged 3-7, who are registered in pre-school public or private institutions, as well as children care centers, kindergartens, etc. Students graduated from Bachelor study program “Pre-school Education Teaching” shall have the following opportunities in the labor market:
 - in public and private institutions of pre-school education (kindergartens) as teachers or kindergarten educators;
 - in public and private institutions of pre-school education (kindergartens) as directors or managers;
 - in public and private institutions of pre-school education (kindergartens) as teachers, educations or guardians;
 - in regional educational directorates/educational offices, as well as educational centers of municipalities in the capacity of pre-school education specialists.

Bachelor in “pre-school education teaching”

Bachelor in “pre-school education teaching”

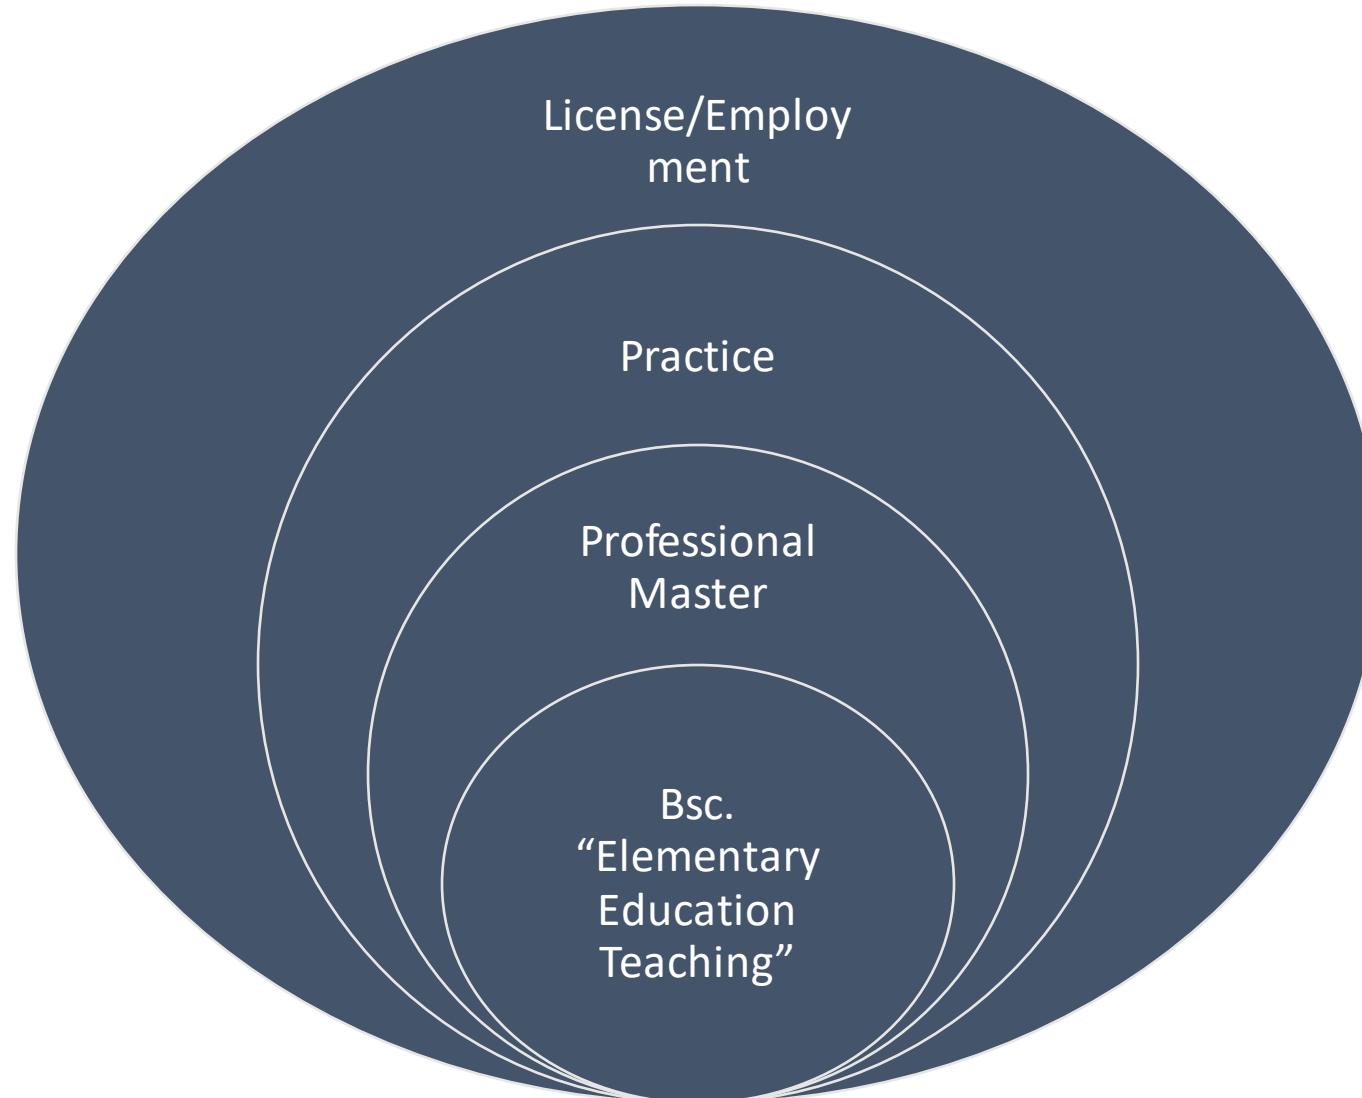

Bachelor in “elementary education teaching”

- The Bachelor study program of “Elementary Education Teaching” is licensed upon order of MoES no.251 dated 02.06.2011 and re-accredited from “Agency of Quality Assurance in Higher Education (ASCAL)” upon Decision of Board of Accreditation no.81, dated 05.10.2019 and is valid until 30.09.2023.

Bachelor in “elementary education teaching”

- The Bachelor study program of “Elementary Education Teaching” has a duration of three years with 180 ECTS. This program prepares teachers for the lower basic education or for I-V classes. This program aims to provide students with knowledge and basic skills necessary for their daily work as educators. Likewise, the study program of “Elementary Education Teaching” enables students to deepen their knowledge in the second cycle study program of Professional Master in “Pedagogy” with two profiles: “Elementary education teaching” and “Education Management”.
- The Bachelor study program of “Elementary Education Teaching” aims to educate skilled staff to work in national labour market:
- in public of private education schools, in the capacity of teacher of 9-year lower basic education;
- In regional directorates or in educational offices of municipalities as elementary education specialists;
- In public or private agencies, as elementary education specialists;
- In NGO, specialized in educative work as trainers and adviser for education of children aged 6-11 years.
