

**The teacher must  
ensure positive  
relationships  
between students  
in the classroom.**

**How can I  
encourage positive  
relationships in the  
classroom?**

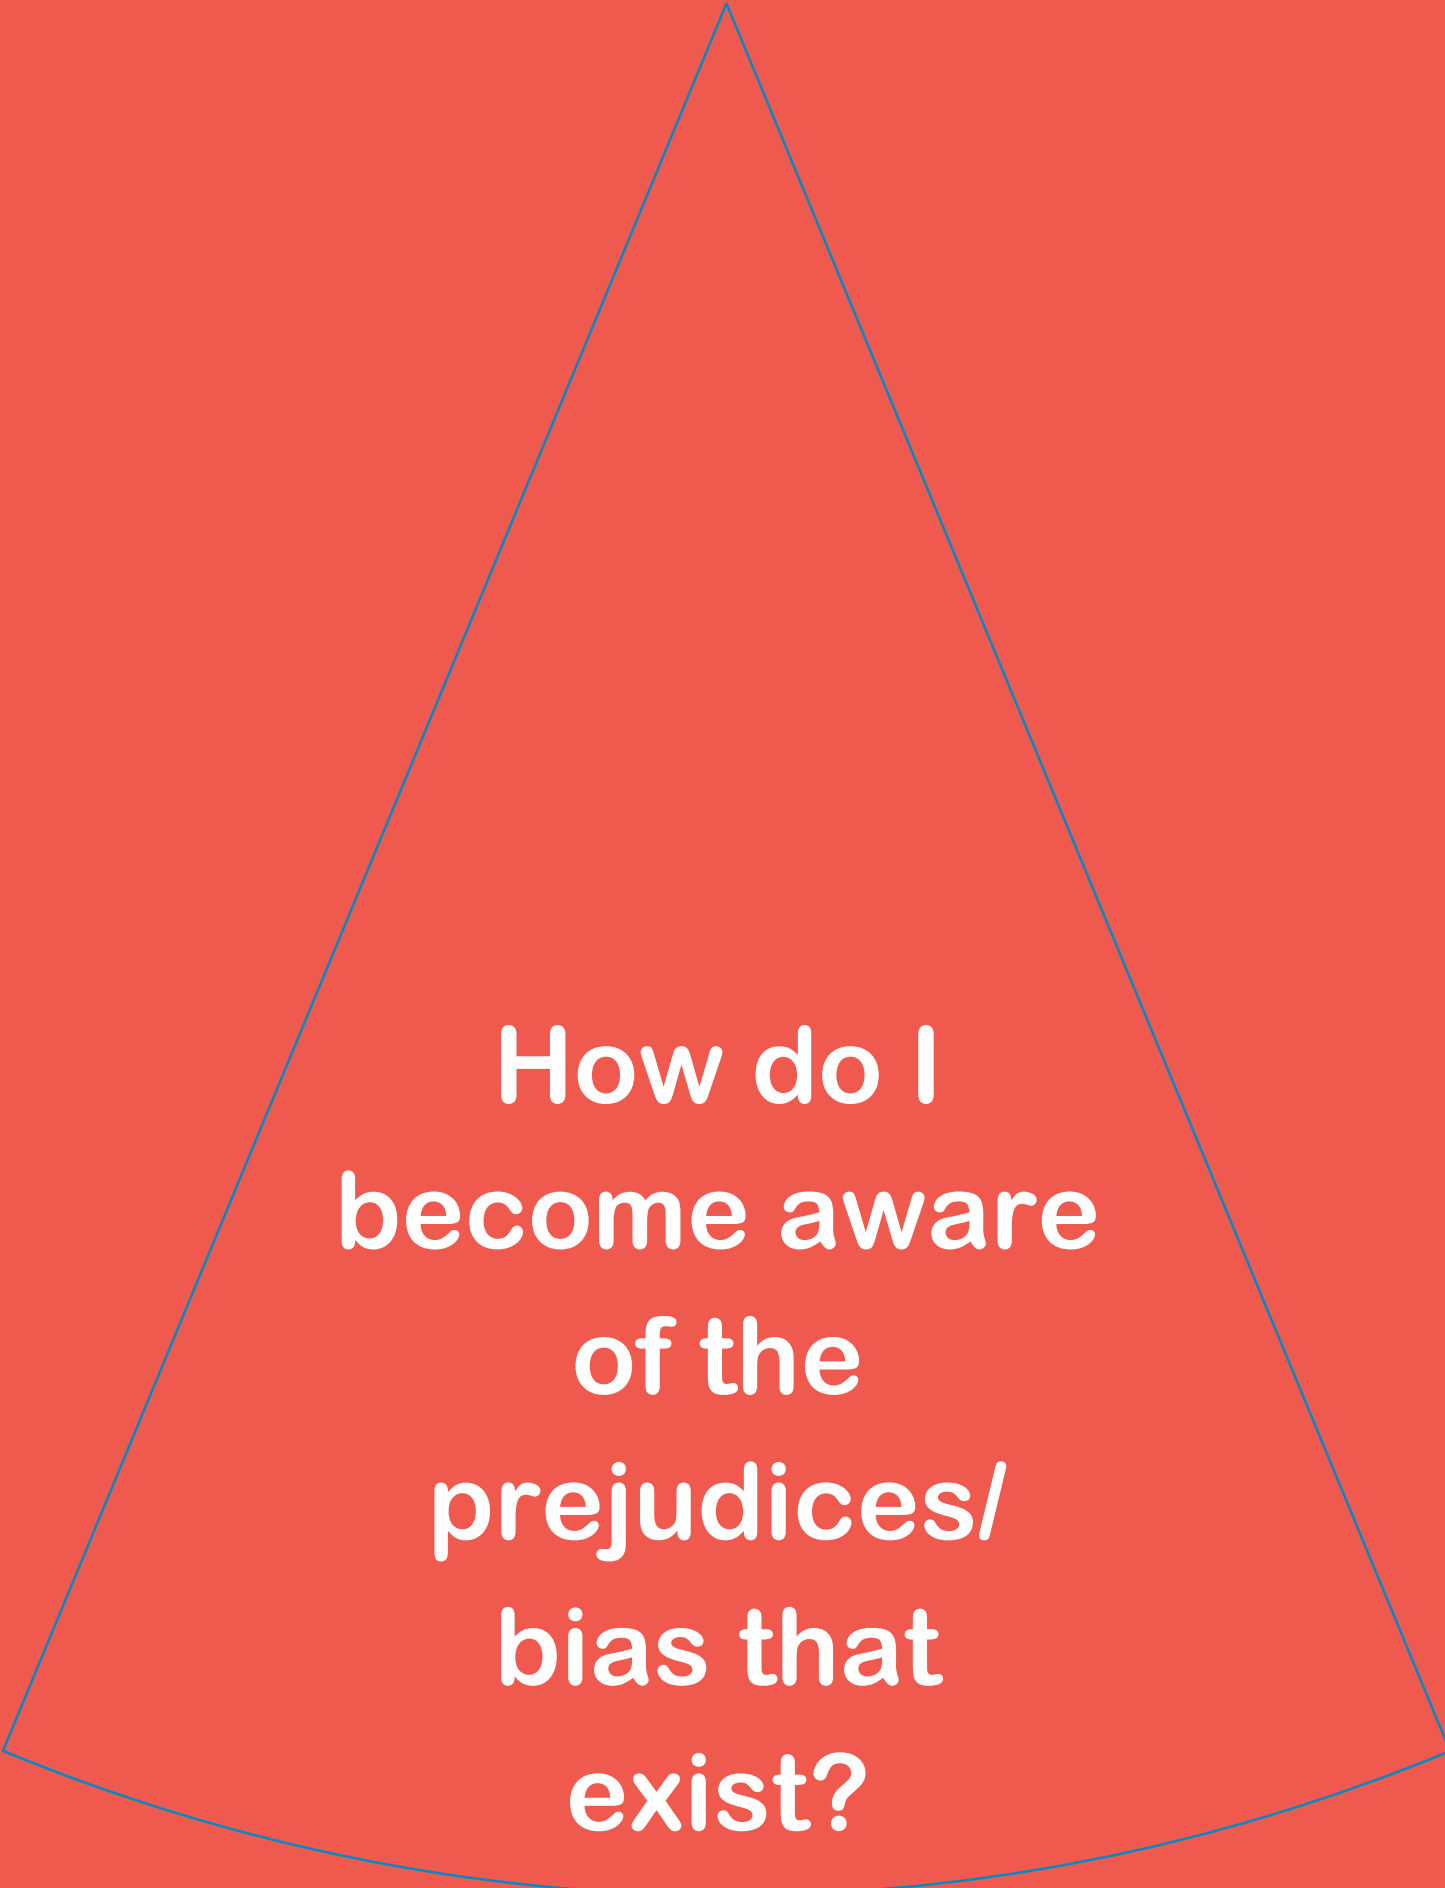

Cooperation  
between  
students  
distracts from  
what the really  
need to learn.

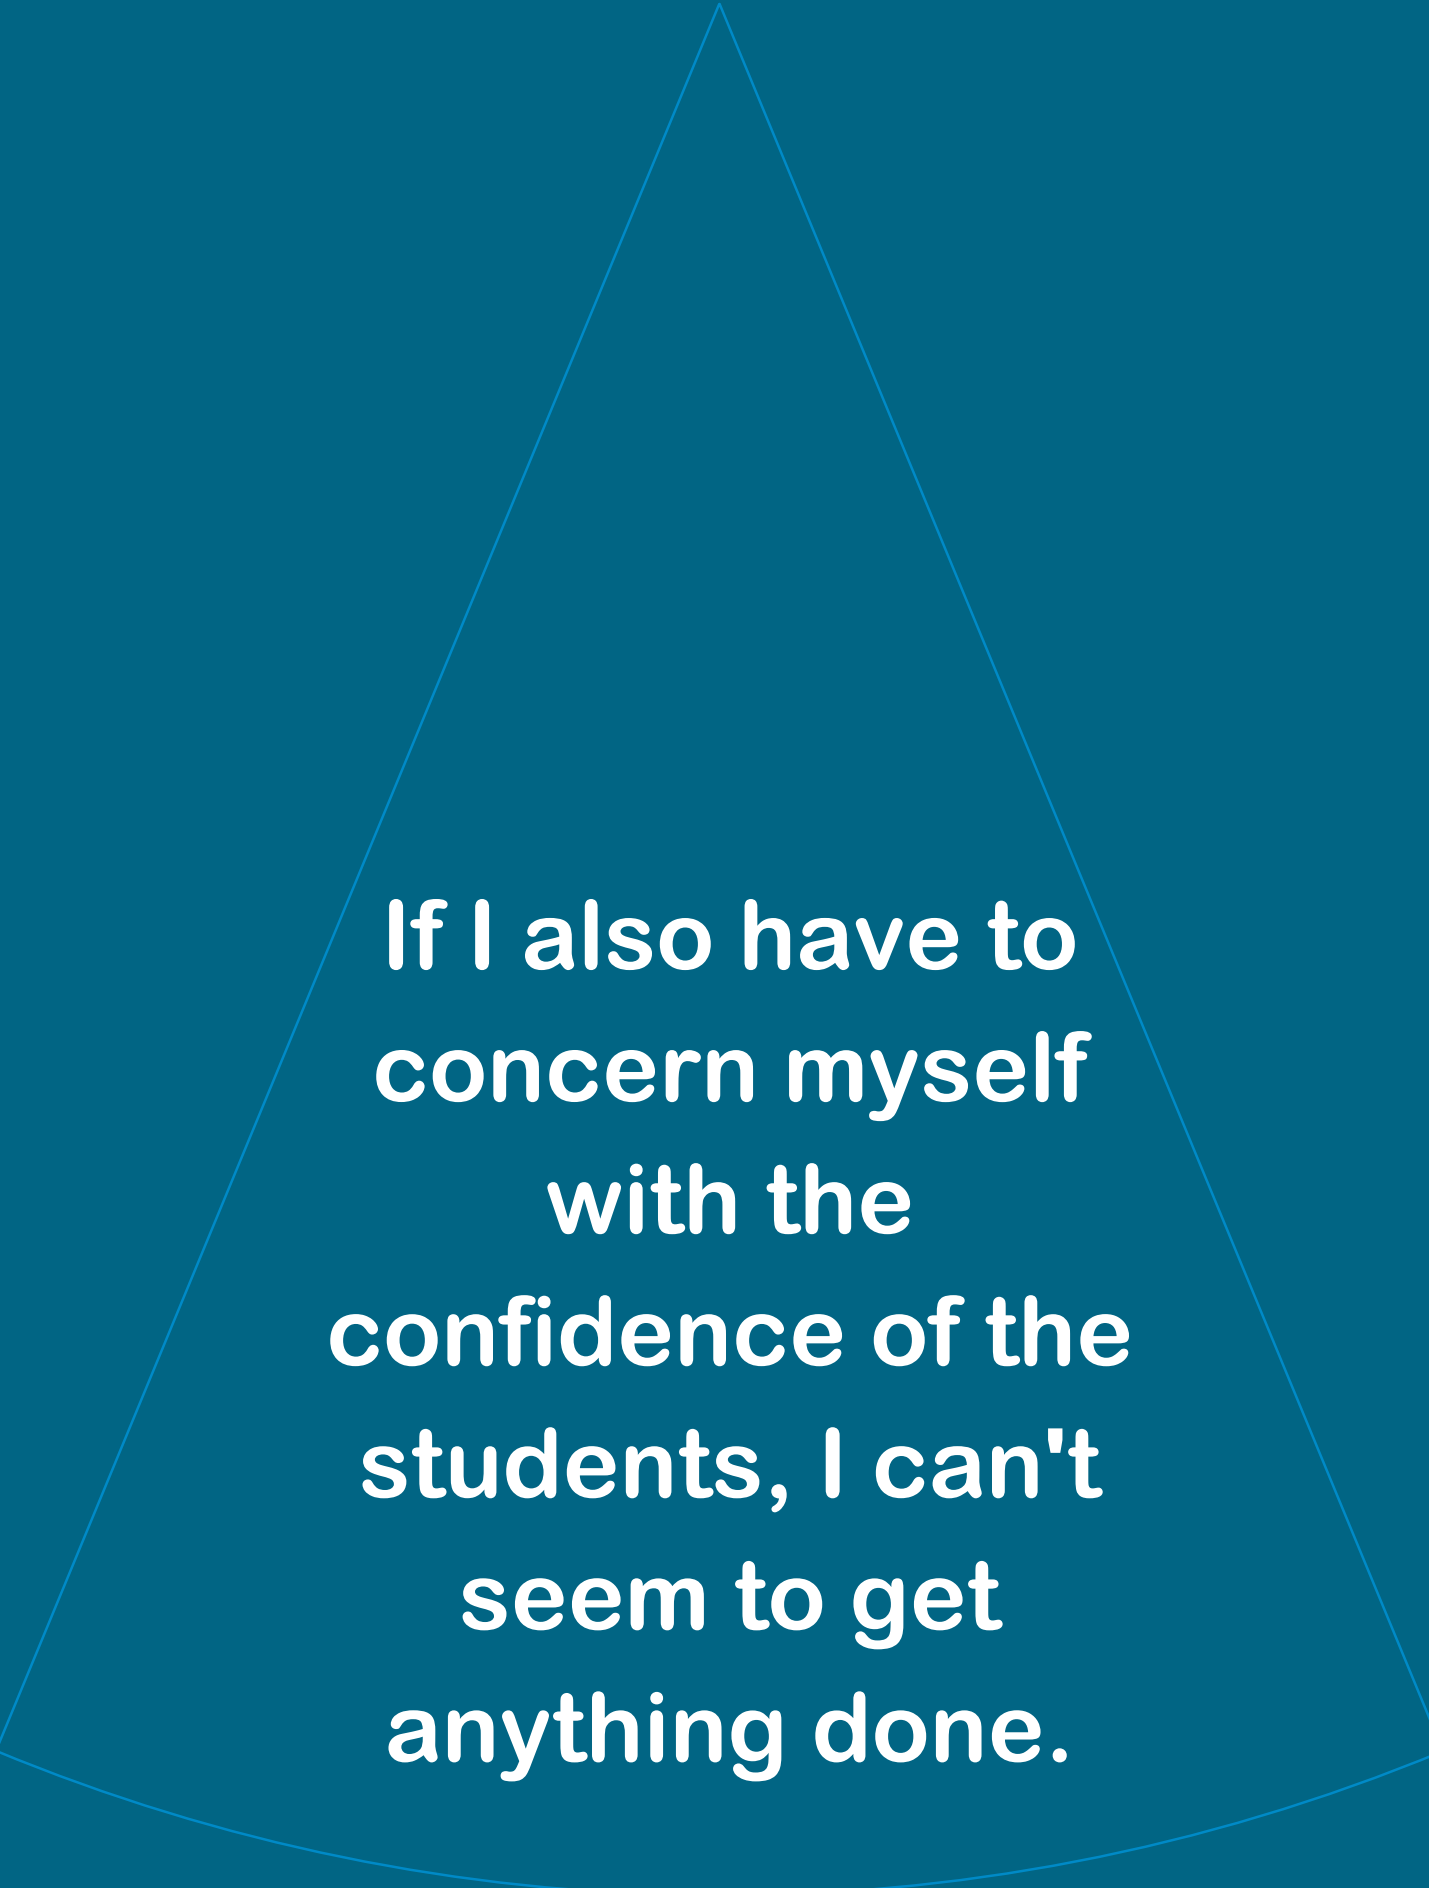

How do I ensure  
cooperation in  
the classroom?

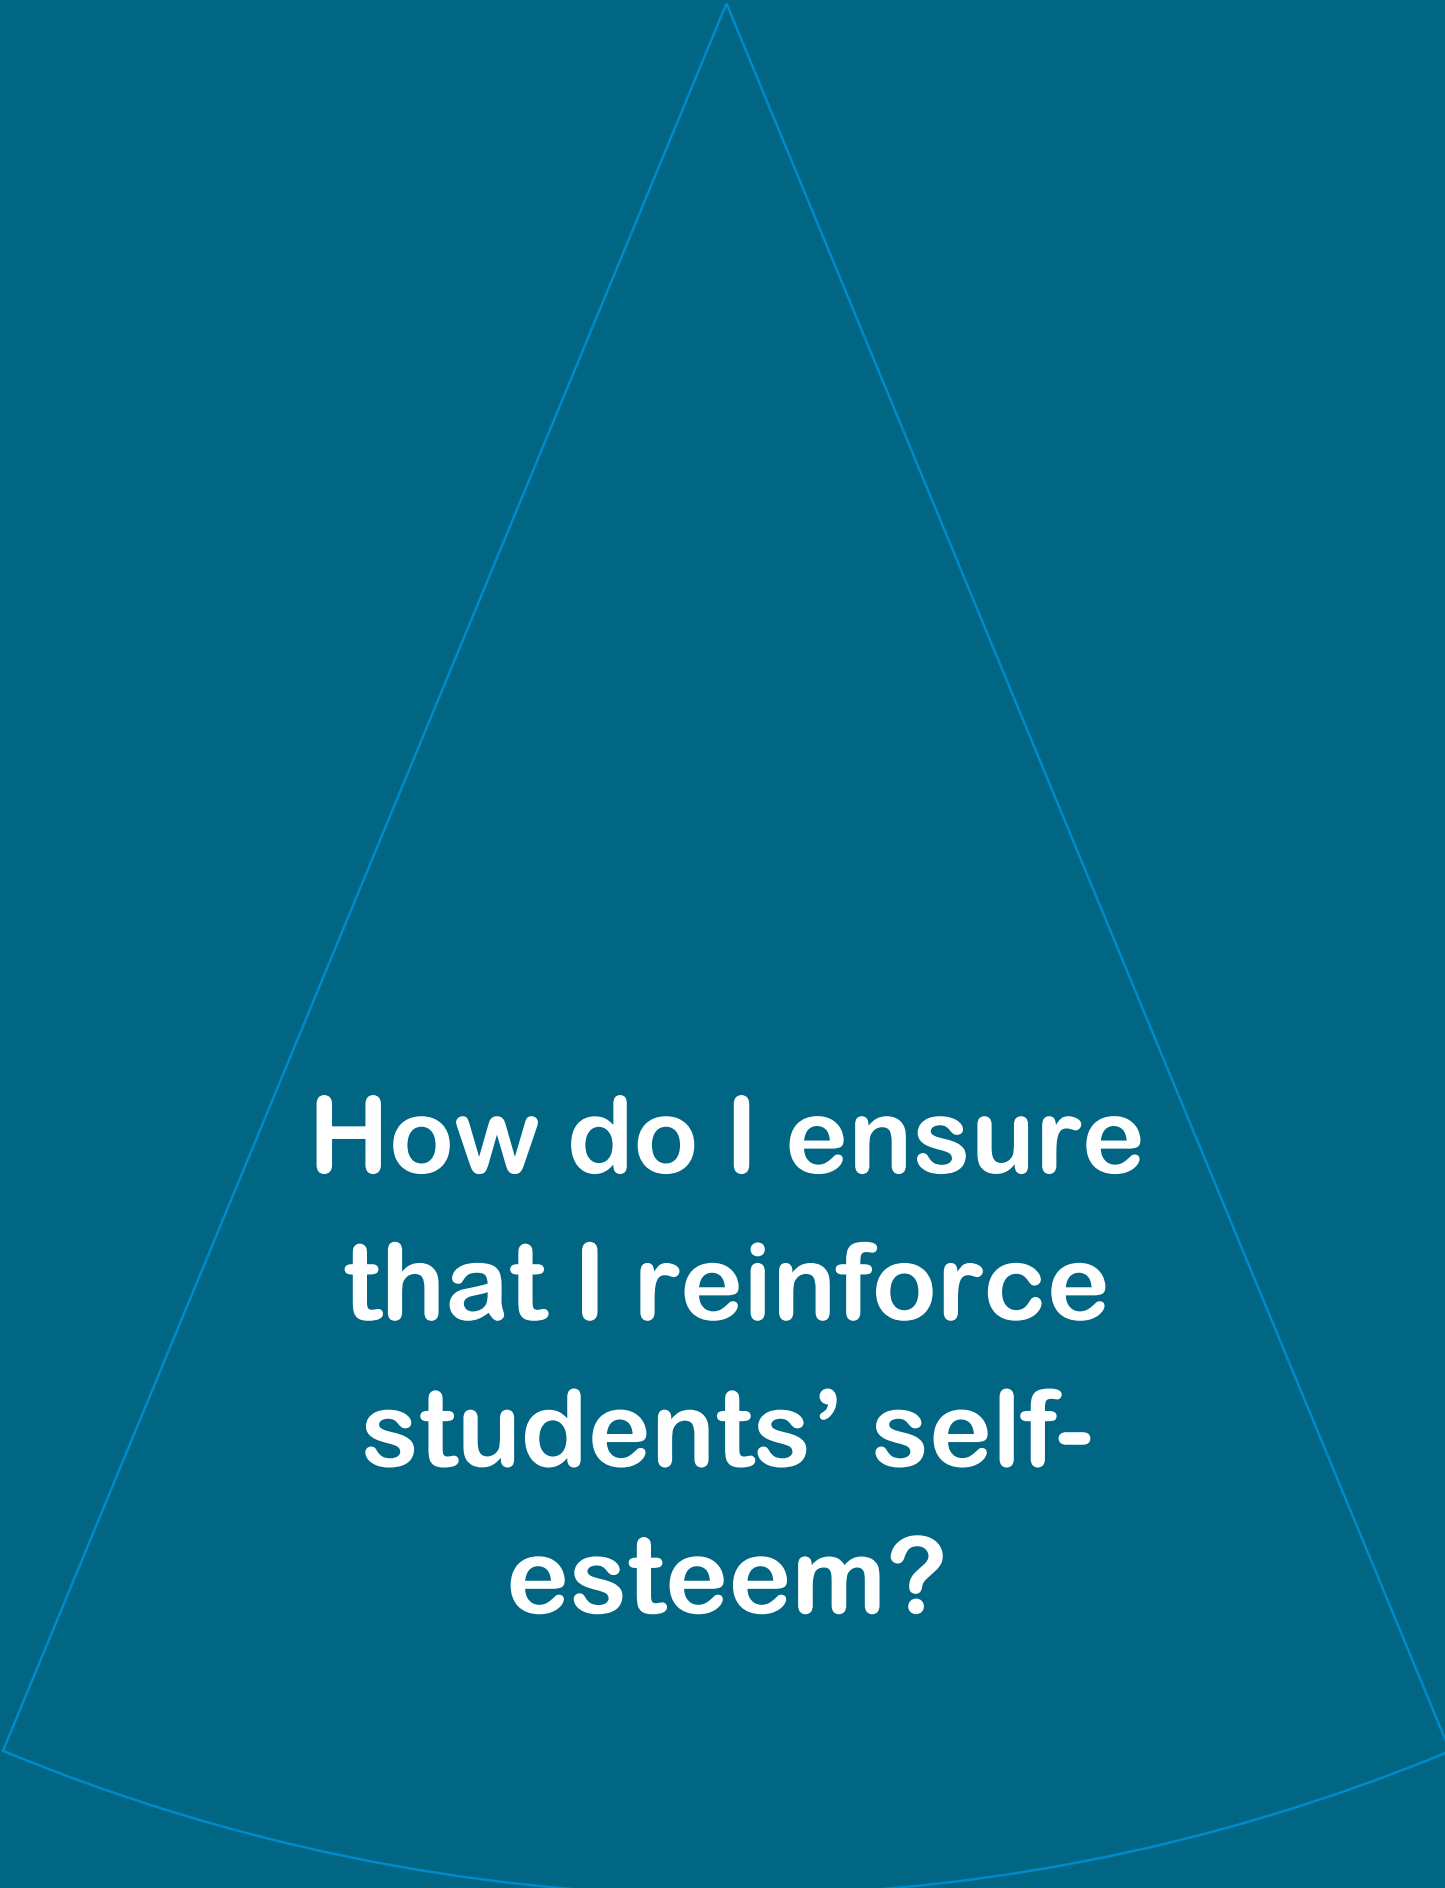

**I don't have  
prejudices/bias. I  
treat everyone  
equally.**

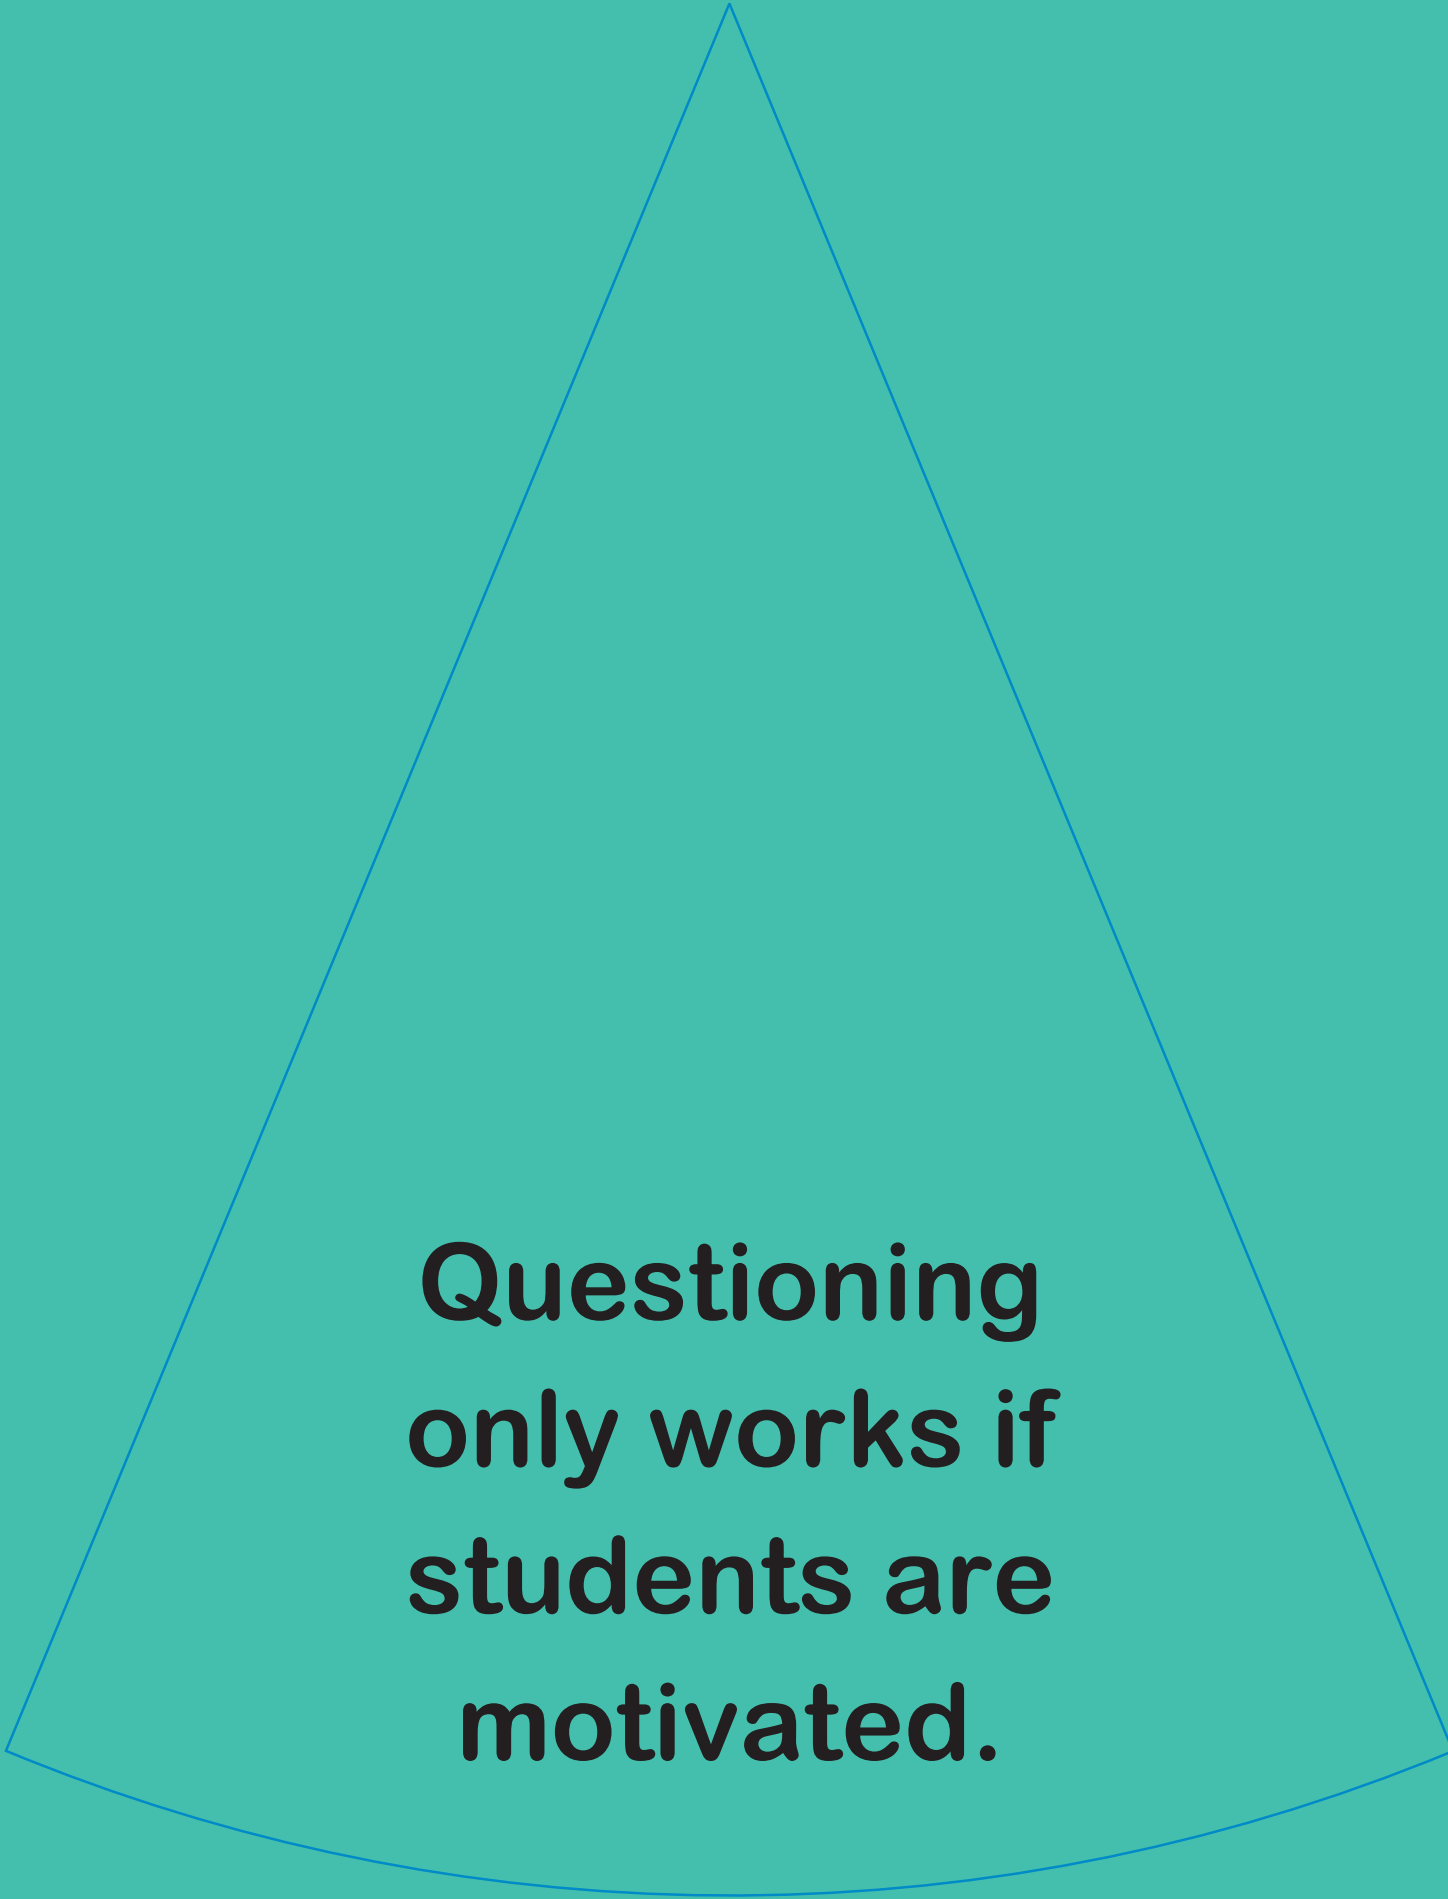

**How do I  
become aware  
of the  
prejudices/  
bias that  
exist?**

**If I also have to  
concern myself  
with the  
confidence of the  
students, I can't  
seem to get  
anything done.**

**How do I ensure  
that I reinforce  
students' self-  
esteem?**

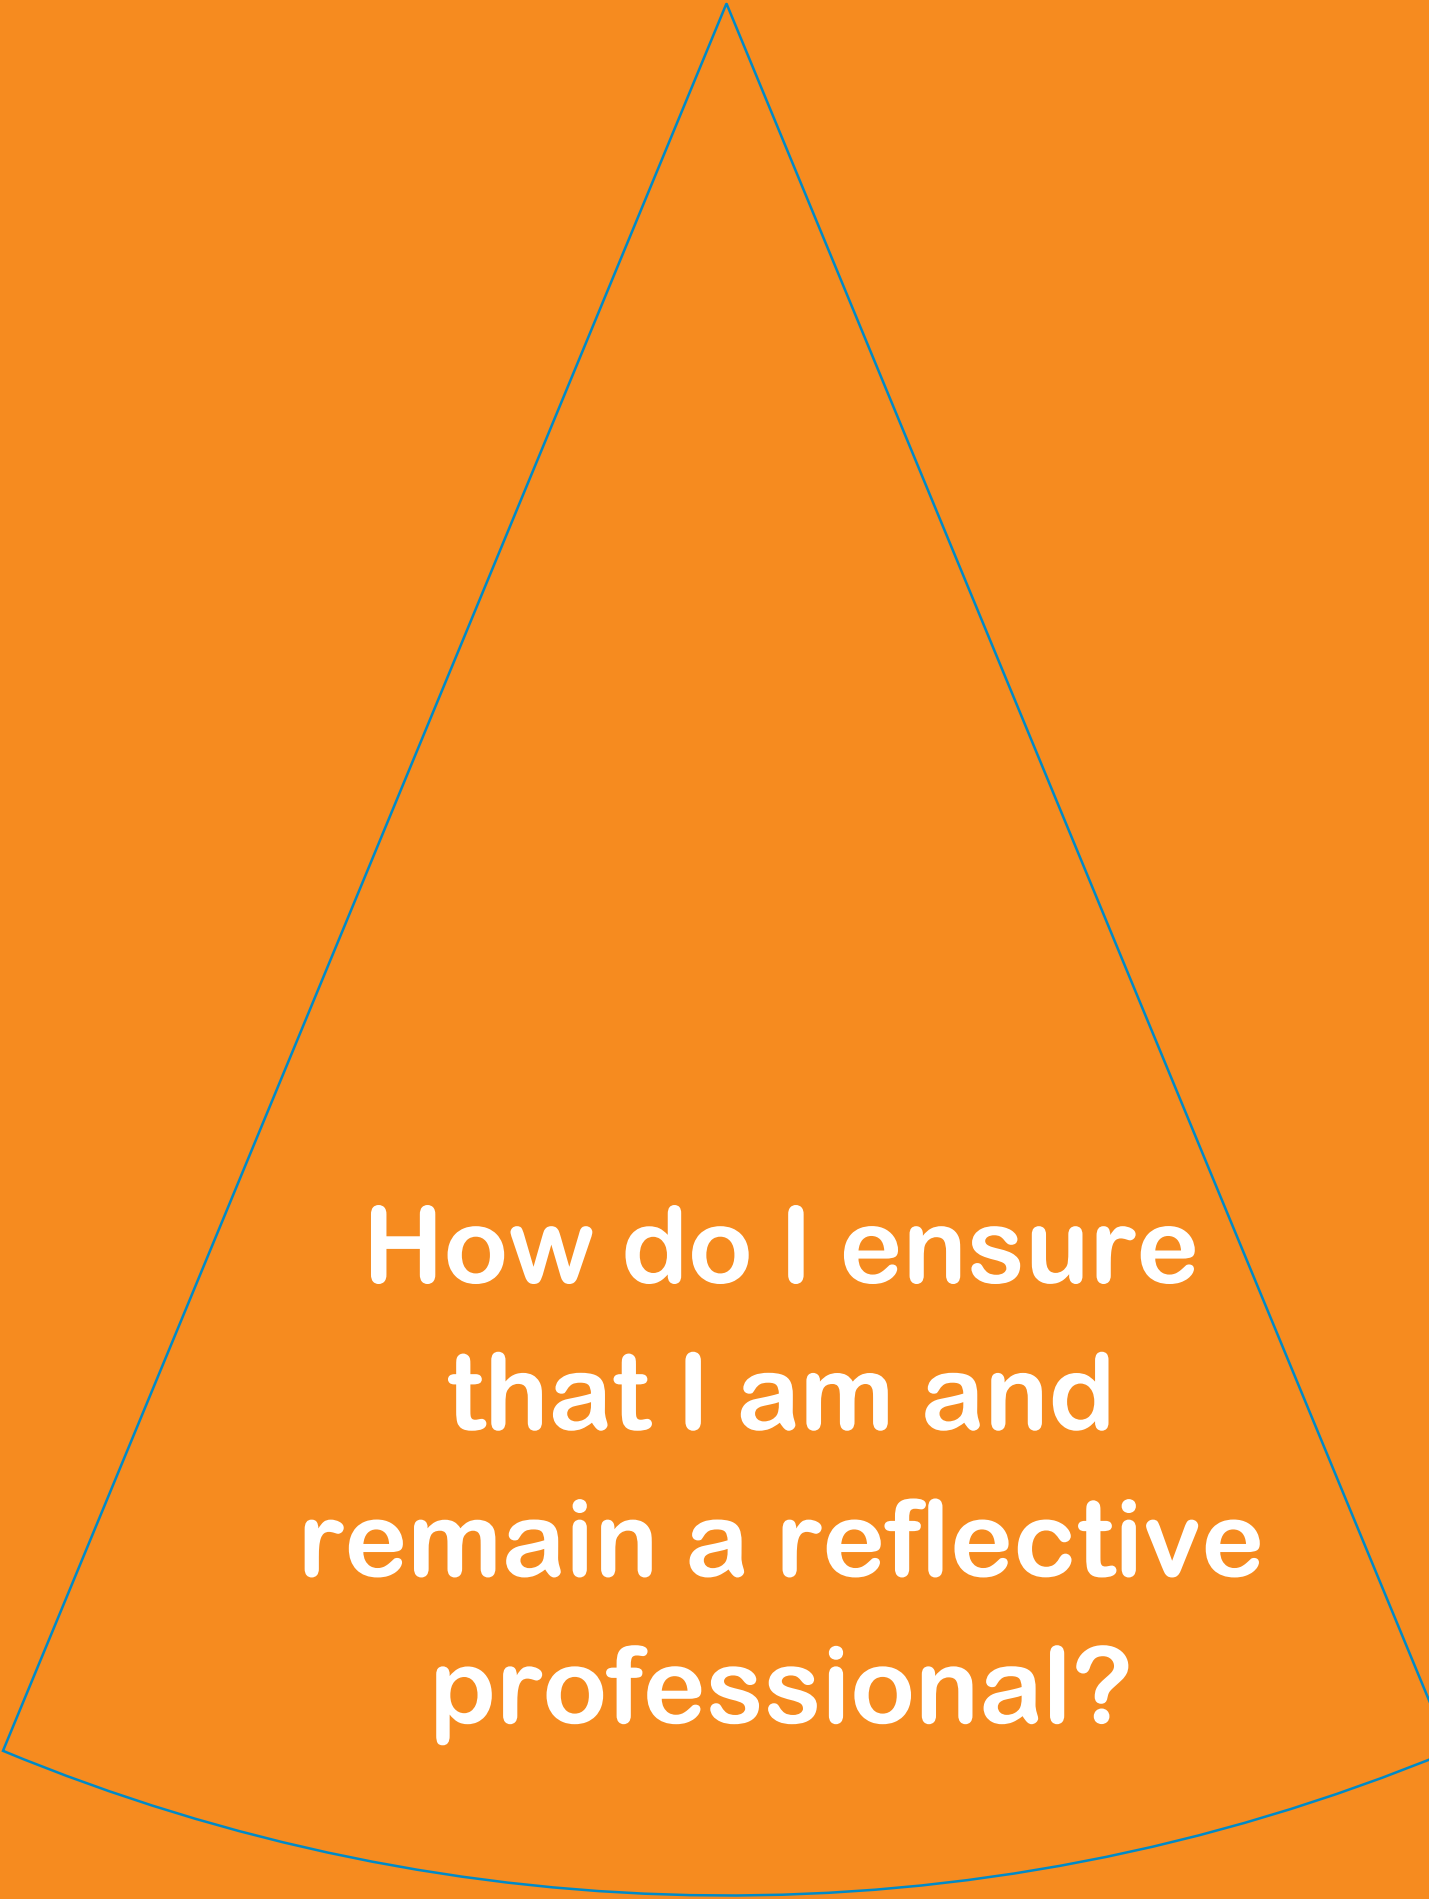

**Questioning  
only works if  
students are  
motivated.**

**How do I make  
sure I have high  
expectations for  
all students?**

**Students have  
more to learn than I  
do.**

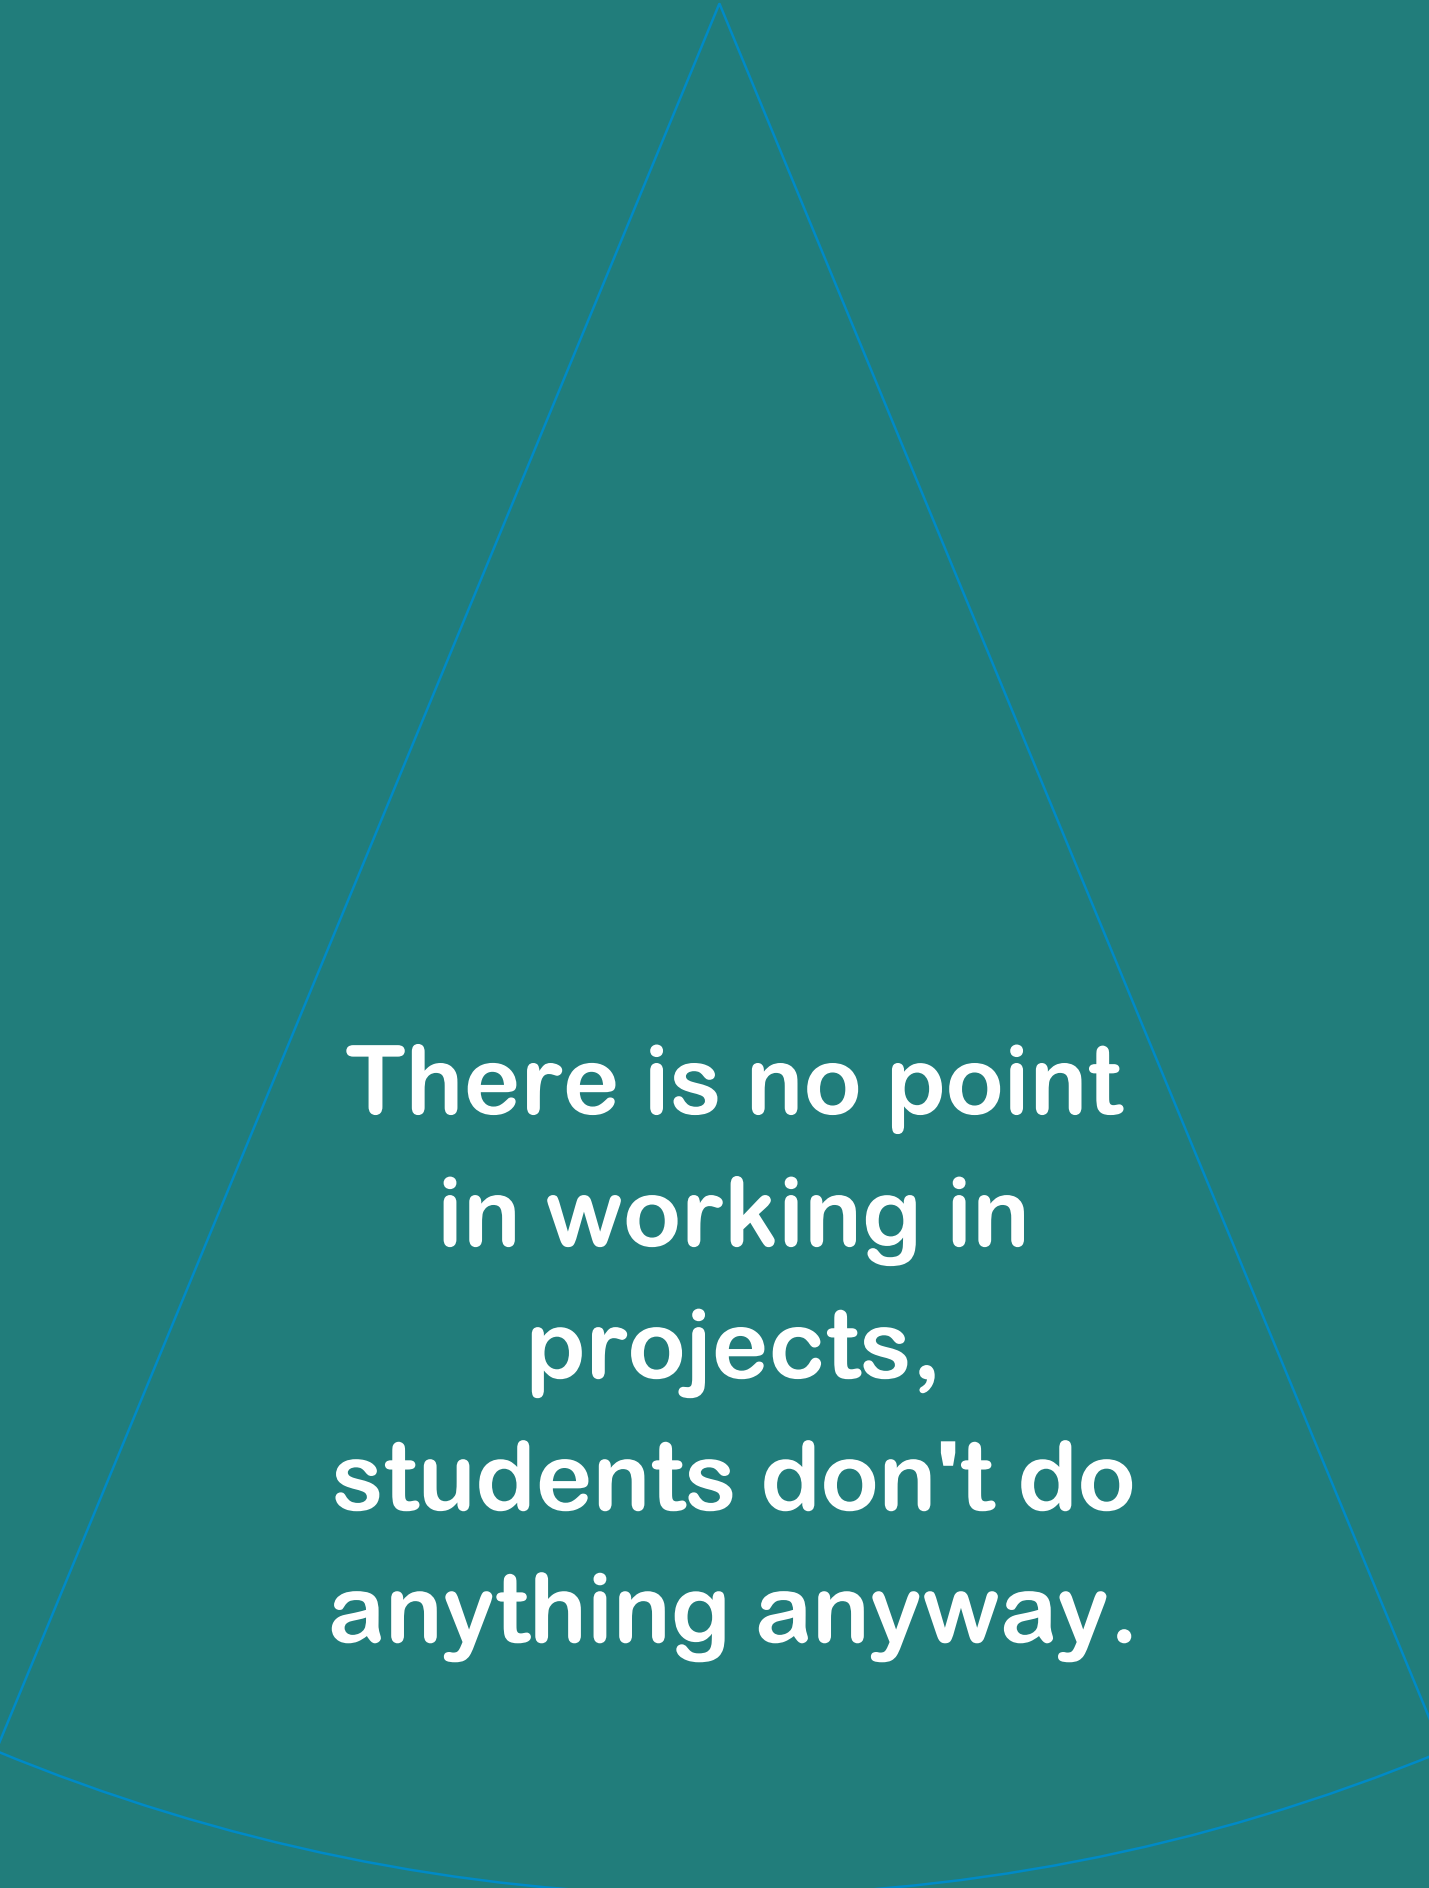

**How do I ensure  
that I am and  
remain a reflective  
professional?**

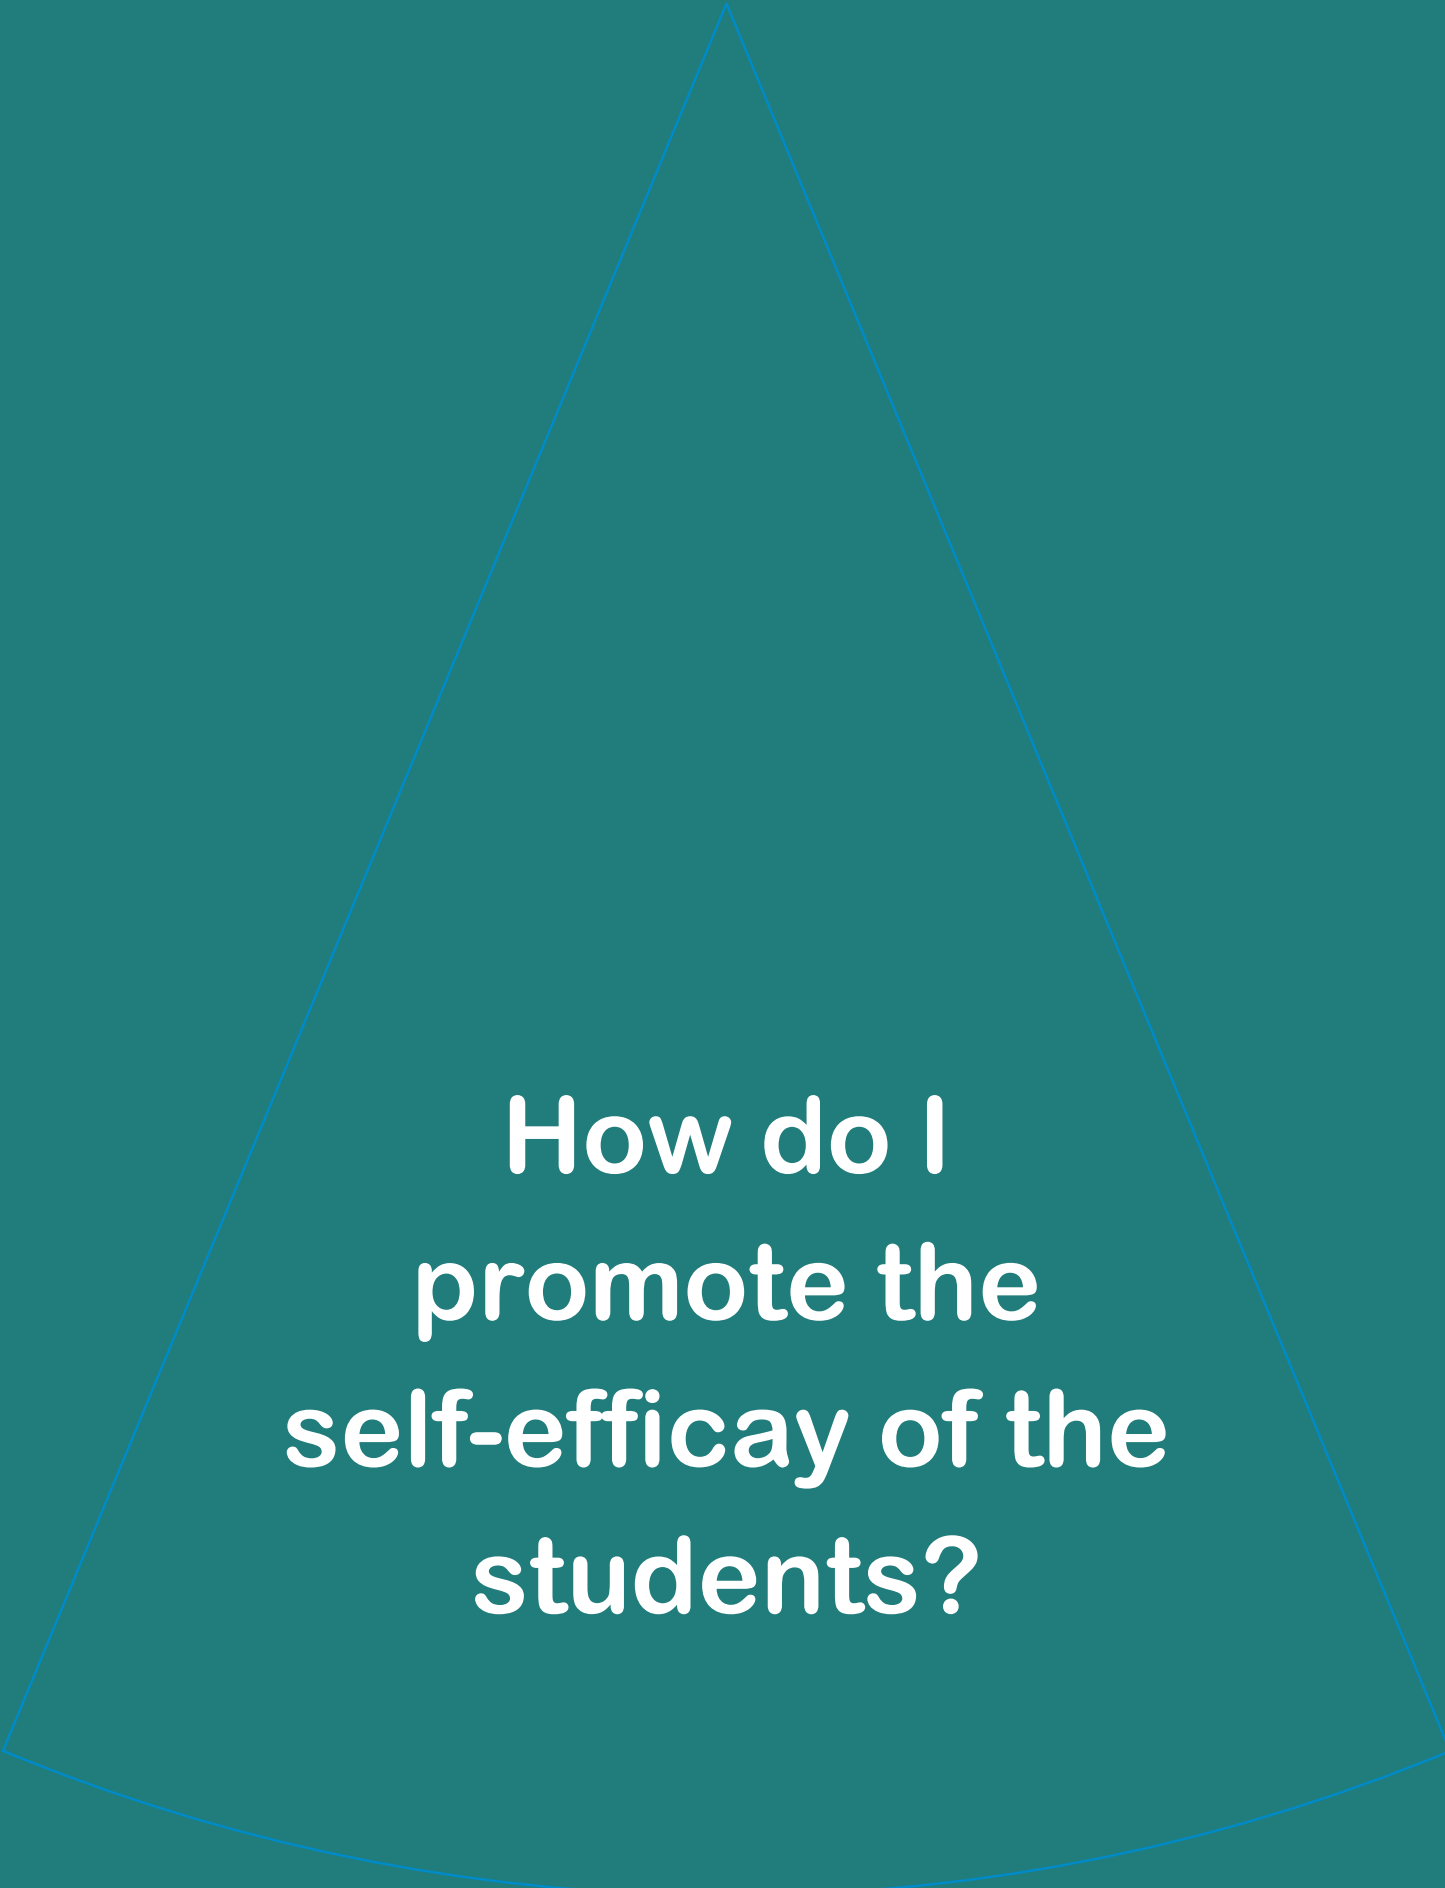

**Difficult  
discussions do  
not belong in the  
classroom.**

**How do I  
stimulate and  
use multiple  
perspectives?**

**There is no point  
in working in  
projects,  
students don't do  
anything anyway.**

**How do I  
promote the  
self-efficacy of the  
students?**
